

3/1 Marines Fallen Brothers Memorial

Description: Bronzed casting of rifle, boots, helmet and dog tags (not pictured) representing all members of the 3rd Battalion / 1st Regiment who have fallen in service to our country.

Bronze casting will be approximately 3 ½ feet tall and placed on a solid base of approximately 12-15" high which will include the regimental logo and a bronze plaque in recognition of the generous sponsorship of this memorial by the citizens of Huntington Beach.

If you have ever been to a ceremony conducted after a battalion returns from deployment, you will see the actual boots, rifle, helmet and dog tags of any Marines lost during that deployment, in this formation – usually planted in the ground near the viewing stands.

The permanent memorial will stand as a testament to the selfless bravery of the finest fighting force in the world, as well as a moving monument to every individual who has worn the Marine uniform and served with the 3rd Battalion/1st Marines – past, present and future.

We hope you will join the Huntington Beach 3/1 Marines Foundation in raising money for this important memorial and join us at the unveiling ceremony, time and date to be announced.
